DECISION ON PETITION

under 37 CFR 1.182

This is a decision on applicant's "Petition for Decision on a Question Not Specifically Provided for Under Rule 37 CFR 1.182", which is treated as a petition under 37 CFR 1.182 to correct the PCT application number in the national stage application papers filed in the United States Patent and Trademark Office on 26 December 2006. The \$400 petition fee has been charged to applicant's deposit account per his authorization.

On 26 December 2006, applicant filed the instant petition, treated as a petition under 37 CFR 1.182 to correct the international application number in the U.S. national stage application to PCT/GB05/00329. Applicant filed the U.S. national stage papers originally on 02 August 2006, which incorrectly referenced PCT/US05/00329. However, the declaration was filed referencing PCT/GB05/00329.

Applicant's petition under 37 CFR 1.182 to correct the international application no. to PCT/GB05/100329 on the national stage papers filed on 02 August 2006 is **GRANTED**.

This application is being returned to the National Stage Processing Branch of the Office Of PCT Operations for processing in accord with this decision, including correcting USPTO records so as to identify the present application as a national stage of PCT/GB05/00329.
